Mad Science Spy Academy After-School Program Registration Information

Register online at the [Nicolet Recreation Website](https://www.nicoletrecreation.com) or call 414-351-7566

Important Details –

We recognize our responsibility in helping to stop the spread of Covid-19, so we have updated our in-person protocols to include enhanced equipment sanitizing, frequent hand washing/sanitizing for both instructors and kiddos, and requiring our Mad Scientists to be vaccinated and/or use PPE (including face masks and/or face shields and gloves) while conducting programs.

We are constantly monitoring local, state, and national health agencies and are ready to comply with all governmental mandates and any mandates specific to your location.

PLEASE DO NOT RETURN REGISTRATION FORMS TO YOUR CHILD'S SCHOOL. Forms returned to the school do not guarantee enrollment in Mad Science.

Registration is limited and on a first come, first served basis. Avoid disappointment and register early! Please return registrations directly to MAD SCIENCE. Registrations MUST be postmarked or completed by phone at 262-330-5029, or online at [milwaukee.madscience.org](https://www.milwaukee.madscience.org) prior to the registration deadline. Please consult the front of this form for specific enrollment information.

Mad Science is held onsite at your child's school. Students will be grouped by like grades when possible.

All supplies and materials are included in the class fee. Each week the kids will receive a take-home item and take-home card that will enable them to continue the fun and learning at home!!

You will not receive a confirmation letter. You will be contacted only if there is a problem with enrollment.

Any questions?????

Feel free to call Nicolet Recreation at 414-351-7566

To avoid any mix-ups, please remind your child to go to Mad Science after school on class days. It's also a good idea to send the teacher a note instructing the child where to go. Our instructors are not able to leave the classroom to look for absent children.

An announcement will be made on the first day of class directing the children where to meet.

Mad Science is not responsible for children before or after the stated class times.

Please pick your child up promptly after Mad Science at the school designated location at dismissal. If you are going to be late, please make arrangements to have your child picked up by someone else or attend after school care if available.

Late pickup will be charged after a 5 minute grace period at the rate of \$1.00 per minute and must be paid to the Mad Science office prior to the start of the next class for your child to continue.

If your child attends after school care, they will be walked there at the end of class.

For refund requests made more than one week prior to the start of the program, a \$25 processing fee will be deducted. No refunds or credits will be issued with less than one week's notice. No refunds or prorated fees for missed classes for any reason. There is a \$30 fee for all returned checks.

If a class is cancelled due to inclement weather or an unexpected school closing, we will attempt to schedule a make-up class. We are unable to offer a refund for classes missed due to unforeseen circumstances. Refunds or credits will not be issued for school closures due to Covid-19; any remaining classes may be offered on our virtual platform.

An alternate topic for a particular class may be substituted without notice if necessary.

Please retain the bottom copy of this form for session dates and times.

Jr. Detectives in Training!

Spy Academy

Look out 007! From edible messages and decoding clues, students will have the opportunity to check out the skills that spies have in this hands-on journey into the world of espionage. Continue the fun at home with a **Secret Code Breaker!**

Agent Undercover

Calling all agents! With the **Undercover Observer**, that students make and take home, they will step into the shoes of a spy in action. The viewer allows them to observe visually; a key skill for agents undercover!

Sleuths on the Scene

Suspects, schematics, and sleuths... oh my! Connect the dots using science to help solve a crime in this hands-on investigation at the science of sleuthing. Challenge your skills with the **Scene Solver!**

Whodunit?

Want to know who did it? Test your skills and learn how the pros do it through careful observation and techniques to handle evidence properly. Using their **Whodunit Kit** take home, students can practice the skills of recall and observation.

NICOLET THEATER TASTE OF FINE ARTS PRESENTS:

CHITTY CHITTY BANG BANG

A VERY NEW MUSICAL

BOOK: JEREMY SAMS
