

Dear 1st-3rd Grade Parkway Families,

In-school roller skating begins in Physical Education classes the weeks of Nov 29 - Dec 22. Please be aware that ALL 1st - 3rd grade students are **REQUIRED** to wear a helmet and wrist guards. Personal bike helmets or skateboarding helmets from home are recommended to prevent lice. If your child does not bring in a helmet they will be **REQUIRED** to borrow one. Borrowed helmets are sprayed with disinfectant spray after each use. Students will be required to use the skates provided by Skatetime. No personal skates will be allowed for insurance and liability purposes.

If you send in any safety gear please make sure your child's name is on the gear. Please send gear by Nov 29th. Students will be keeping it in their school locker and bringing it to PE classes for the entire unit.

Due to covid protocols, we will not be able to invite volunteers to help this year. Thanks for your cooperation! Please call or email if you have any questions.

Did you know that the Scholastic Book Fairs raise money, which the PTO turns around and spends on the classrooms? Classroom libraries, Scholastic News handouts, and the Parkway Birthday Books are funded by the book fairs. Our next book fair is December 4th, during the secret gift shop. Pick up a few new books for your kids. It's good for them, and good for the community!

Help Kids Balance Their Media Lives

From phones and tablets to streaming movies and YouTube, tech and media are everywhere. Kids love easy access to shows, games, and information. Parents and caregivers love that kids can learn on the go (and stay busy when dinner's cooking). But it's easy to overdo it when the phone never stops pinging and the next episode plays automatically. Families can keep media and tech use in check by following a few simple practices.

Check out these 5 tips 

1

Create screen-free times and zones.

Help kids take breaks from tech by limiting screen time in bedrooms, during study time, or at the dinner table.

2

Try parental controls.

Set content limits that make sense for your family. Alongside conversations about healthy media habits, use features such as content filtering, privacy settings, and time limits offered by the apps and platforms your family uses to help manage access and exposure to media.

3

Establish clear family rules.

Decide together what kind of media and tech is OK -- and when it's OK to use it. A family media plan can help get everyone on the same page.

4

Watch and play together.

Choose quality, age-appropriate media to enjoy with your kids. Visit commonsensemedia.org to find shows, games, and more.

5

Help kids identify healthy behaviors.

Practice talking about feelings -- both physical and emotional -- during screen and non-screen activities.
