

JANUARY 27
2022

PARKWAY PANTHER PRESS

We are continuing to work incredibly hard to protect our students here at Parkway. In an effort to reduce the number of positive cases, we are continuing to think proactively about best practices around limiting the number of times that students are unmasked during the school day. That said, we are encouraging families to work closely with their student's teacher to discuss alternate ideas for classroom treats like decorative pencils or stickers to celebrate Valentine's Day versus edible sweet treats. Please note, if families purchase sweet treats, all treats must be pre-packaged and will be given to the students to take home to enjoy. This will limit the number of times students are unmasked during the school day. We want to partner with our families to stop the spread of covid.

UPDATES FROM THE LUNCH DEPARTMENT

There have been modifications made to the lunch menu. Please note, students will have the opportunity to select one hot lunch or one deli lunch, they will no longer have the option to select between (2) hot lunch choices. Click [HERE](#) for the updated lunch menu.

Summer Academy 2022
June 27- July 28

SAVE THE DATE!

Are your students looking for something fun to do this summer? If so, consider signing them up for this year's Summer Academy program. This program gives students the opportunity to explore fun subjects and interests that they may not be able to during the traditional school year.

Students will attend from 8:30AM-12:00PM, taking (4) courses a day. The program will take place in-person at Glen Hills Middle School and will run for (5) consecutive weeks, Monday-Thursday. We hope your students can attend.

Asynchronous Learning Day on Friday, January 28th

Click [HERE](#) for more information on Asynchronous Learning Days.

Reminders

COVID Testing is available daily for all staff, students and any members of their households age 3 and above. Please click [HERE](#) for a reminder on how to sign up for testing.

UPDATE MASK INFORMATION

Based on updated medical advice regarding the new Covid-1p variant Omicron we are strongly recommending that all staff and students discontinue wearing cloth face masks. *"We need to be wearing at least a three-ply surgical mask," she said, which is also known as a disposable mask and can be found at most drugstores and some grocery and retail stores. "You can wear a cloth mask on top of that, but do not just wear a cloth mask alone."* - CNN Medical Analyst Dr. Leana Wen

In this week's spotlight, we feature 3rd grade students making heart art with chalk pastels.

Mrs. Gember's friends made peace doves in honor of Dr. King Jr.

December 23, 2021

Addition of January 28th and February 18th Asynchronous Days:

When the 2021-22 calendar was approved last spring our covid burden rates were low and vaccinations were rolling out. We all anticipated a much more “normal” school year and the calendar was set up that way. As we all know we are now in a space where in many ways the covid situation is much more challenging than it was last year and we are clearly not back to “normal”. Because of this it is imperative that staff have this additional time to collaborate and plan during a school year that has continued to challenge them to teach and support students in ways they have never been called on to do before. In order to ensure that your students are supported we have to continue to support our teachers. The two asynchronous days are a very small way to provide them some of this time.

Last year from March until June the district participated in asynchronous days on Fridays. Asynchronous learning is a general term used to describe forms of education, instruction, and learning that do not occur in the same place or at the same time. This includes various forms of online learning in which students learn from instruction—such as prerecorded video lessons or game-based learning tasks that they complete on their own and that are not being delivered in person or in real time. On asynchronous days students are expected to participate in asynchronous learning assignments and activities through the Google Classroom Learning Platform. Asynchronous work will be a continuation of independent work tied to current learning with the pace of the curriculum being delivered. It will often focus on reinforcement of concepts and skills. Teachers will provide information specific to their curriculum, place in instruction and the age of their students.

Please know that all decisions made are intended to ensure that we are doing what is best for your children. On behalf of the staff in the Glendale River Hills School District I thank you for your continued support.

Mrs. Weiss

Legally, services must be scheduled
by an adult member of the family.
Any child served through the program must
be seen with a parent or legal guardian.

KV1252 (10/20)

Student and Family Assistance Program (SFAP)

A free and
confidential resource

We can make a difference for students and families.

A healthy home and family life can nurture academic excellence.

To promote healthy homes, minds and families, your school is proud to offer the Student and Family Assistance Program (SFAP). Sponsored by the Employee Assistance Program (EAP) of Advocate Aurora Health (AAH), our counselors have been serving families for more than 25 years.

How it works

The SFAP is available at **no charge** to all students and family members residing within the household. Help begins when a family member or legally responsible adult calls the program.

Based on your needs, our specialists will:

- Connect you by phone with a professional counselor who will consult with you.
- Schedule a confidential appointment with a program counselor for you or your family. Many times, a family's concerns can be resolved within program sessions, saving time and money.
- Assist with an insurance- or community-based referral if your situation requires diagnostic or ongoing treatment.

All services are **confidential**. No information about you or your family situation will be shared with school personnel without your permission in accordance with state and federal law.

When to use the program

This varies from person to person. Generally, it's wise to seek help when a problem:

- Interferes with normal activities
- Occupies too much of your time
- Persists for more than several weeks

Typical concerns may include:

- Parenting support and coaching
- Academic pressures
- Alcohol/drug issues
- Anxiety and depression
- Child/family issues
- Divorce/blended families
- Marital/relationship issues
- Stress management

Additional services

Seeking a healthy balance

The following services are available to help families quickly and conveniently address other issues that may impact their lives:

- Legal consultation and mediation
- Financial consultation
- Child care resources
- Elder care resources
- Adoption information

Our promise to you and your family

Your privacy is protected in accordance with both federal and state laws regarding mental health and medical treatment records. The professionals within the SFAP make every effort to protect your privacy and ensure that your participation in the program is completely confidential.

How to reach us

Call **800-236-3231** and identify yourself as eligible for SFAP services through your school.

To learn more about these services or to schedule an appointment, please call **800-236-3231**.

NICOLET RECREATION DEPARTMENT

JUNIOR KNIGHTS WRESTLING TEAM – PHASE II

This club is for the beginner and experienced wrestlers looking to learn and improve on the fundamentals of wrestling. It will introduce & teach basic wrestling positions & moves from the up, down and neutral positions.
